Old Business:

Several members surveyed other clubs as to rewarding active members for their work for the club. Clubs contacted were not in favor of a work/reward program. Most indicated that 30 to 40% participation is an average in any organization. People join a club/organization for various reasons. Having snowmobiling in common with other members is a starting point for our club. Some people become more active and involved to share their skills and show leadership, others enjoy being able to help and learn skills, and camaraderie of the club atmosphere but do not care to lead. Others are busy with family or work but are members to occasionally participate in club meeting or activities and just to support by paying their dues. All types of members regardless of their amount of participation are important to keep a club active and growing.

Discussion on finding a new chairperson for fundraising ended with four members willing to help with the fundraiser but a chair was not determined at this time. These members are Larry Dietz, Josh Abler, Wes Rabe, and Pat Halback. Several ideas for fundraisers were discussed and a informal pole showed most members favored a money prize raffle the best choice for this season and gathering more information for a possible meal/raffle for a future date to be continued a future meetings.

It was suggested that we try a club ride in our area this season and get families involved. The date selected will be Saturday Feb 5, 2011

If trails are open members can meet at New Holstein BP at 9:00am and ride as a group to the Sheboygan Marsh to enjoy lunch and drinks at Shit House Corners. Travis and Wes

will go to the marsh early and try to stake a claim to the non-reservable corner. Members unable to ride with the group can join the fun anytime of the day. Food available from 10:am to ?????Wayne will send an email to remind members about the ride. In case there is no snow you could trailer to the marsh and ride he channels.

Several members suggested we ride to the Louis Corners recliner races on January 29
Members can meet at New Holstein BP and ride as a group to the outing if interested.

Meeting adjourned 8:24 pm.
Respectfully submitted,
Wayne Miller
KSC Secretary
