Trail Maintenance: Grooming has ended but trail signs will have to be removed as weather permits. Wayne asked that times be turned in as soon as possible so reports can be sent to the County. Deadline for submission is June 30, 2011. Wes and Travis are continuing a search for a cultumulcher or similar tool for field prep in future years. Travis stated he had hoped to keep cost to approximately \$2500.00 or less. Corey stated we should not sacrifice cost and suffer excessive maintenance down the road.

Landowner Appreciation: JT reported the date is set for May 7<sup>th</sup> at Kiel Piggly Wiggly 11:00AM to 4:00PM. JT stated anyone able to help stop by the brat fry stand. Letters will be sent to all Landowners to invite them for free brats and or burgers.

Old Business:

Wes reported that he has been in contact with Lisa from Calumet County and asked if we could be included in discussions on a new county map. Our club would like to see trails numbered or named and intersections be marked with reference numbers coinciding with the printed map.

New Business:

Wayne shared a meeting notice from the county stating several informational meetings To be held to gather input for future plans to connect the Solomon Trail to the Fox Valley Trail. Corey or Wes may try to attend. It would be in our interest to have the trail be multipurpose, open for all types of recreation.

Meeting adjourned 7:53PM.

Respectfully submitted,

Wayne Miller
