Groomer Updates: The groomer repairs have started metal repairs have been completed and sand blasting and repaint to follow.

The cultipacker repairs/updates will be completed by Pat and Tom Halbach. Thanks for their many hours of work on our equipment.

The second annual Golf Outing held on August 17, 2013 was a success with a good turnout and a perfect weather day. Corey posed a question as to this being a viable fund raiser for the future. I (Wayne) stated I felt it was a good fundraiser and definitely worth another years efforts but I do feel that it has become very popular to all groups and there will be more and more competition for players in future so it may not survive long term.

Rich reported a profit was made at our annual Kiel picnic pizza stand sales. The turnout was good and sale were fairly good also.

A motion to adjourn was approved at 8:03pm.

Respectfully Submitted,

Wayne Miller.
